CENTAUR LINIMENT.

There is no pain which the Centaur Linimer will not relieve, no swelling it will not subdue, and no lamences which it will not cure. This is strong language, but it is true. Where the parts are not gode, its effects are marvelous. It has produced more cures of rheumatism, neuralgia, ock-jaw, palsy, sprains, swellings, caked breasts, scalds, burns, salt-rheum, ear-ache, &c., upon the human frame, and of strains, apavin, galis, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an allbealing pain reliever. Cripples throw away their erutches, the lame walk, poisonous bites are rendered harmless and the wounded are healed without a sear. It is no humbur. The receipt is published around each bottle. It is celling as no erticle ever before sold, and it sells because i does just what it pretends to do. Those who now suffer from rheumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment. More than 1000 certificates of remarkable cures more than 1000 certificates of remarkance cutes, including frozen limbs, chronic-rheumatism, gout, running differs, &c., have been received. We will send a circular containing certificates, the recipe, &c., gratis, to any one roquesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for spavined or aweenled horses and mules, or for screwworm in sheep. Stock-owners-this limiment is worth your attention. No family should be without Centadr Liniment. J. B. Rose & Co.,
